Alice's Adventures Under Ground

Lewis Carroll

Alice's Adventures Under Ground Lewis Carroll

In celebration of the story's 150th anniversary, this elegant new collector's edition of Alice's Adventures Underground features never-before-seen drawings from renowned artist Charles Santore, and an introduction by revered literary scholar, Michael Patrick Hearn.

When Lewis Carroll first put pen to paper and wrote what would become Alice in Wonderland, he provisionally titled the story "Alice's Adventures Under Ground," and accompanied the text with sketches to bring his story to life. Now, in honor of the 150th anniversary of the book's first publication in 1865, we are publishing that original story, in a faithful and unabridged adaptation, under its original title. Like that first hand-written draft, this stunning new collector's edition features never-before-seen drawings throughout the story by celebrated New York Times bestselling artist Charles Santore (*The Wizard of Oz*, *The Night Before Christmas*), and an introduction from the premier authority on children's literature, Michael Patrick Hearn.
