Baccarat - a Complete Baccarat System- using C.O.N.T.R.O.L. Johnny Depot

This book will give you, the gambler, a complete system and methodology for betting Baccarat. This book will cover how to play on the three bets in Baccarat. This system works for regular, mini and online Baccarat tables. Baccarat is by far the most over-rated and least understood game in the casino. As a player, you make ZERO decisions during game play. Your only decision comes before the game starts. Betting in the casino does not get a simpler than this! The payoffs for bank and player bets are 1 to 1, meaning if you bet \$5 and win, you are paid a \$5 chip. To bet on a tie the payoff is 8 to 1. It truly is that simple! Now before you run off and drain your piggy bank on your quest to “take-down” the casinos, you need to have a plan of attack. That is where my C.O.N.T.R.O.L. methodology enters into the equation.
