The survival of the deadliest continues...

THAD

I've never had to play games to get what I want, and we both know exactly what I want. And the second I get a chance, I'm bringing her into my world permanently.

ROSLYN

Thad isn't like anyone I've ever met. I'm not sure if he's the best or the worst thing that has ever happened to me. But I do know I'm becoming addicted, and he seems to love the hell out of it.

The only problem is that the world around us isn't quite as simple as I once thought, and nothing is easy anymore... Including staying alive.
