Imagine having the power to turn back time. Not 100 years—just 10 seconds. Enough to take back those embarrassing missteps and wrong answers.

Elsa's mom died suddenly one year ago, but she appears one night to grant Elsa do-over power. Elsa thinks she dreamt it until she utters the words the next morning and watches her whole world rewind 10 seconds.

Elsa needs the do-over power to become cool at her new school. It's fun taking people's answers and being a star student one day, and gossip queen the next. Even the ultra-popular Slice Girls want to be her friend now. Elsa can re-do anything until she gets it right. So why doesn't her new life feel so perfect?
