Fire and Ice

J. E. Christer

Fire and Ice J. E. Christer

In the six months since the Battle of Senlac Hill near Hastings life has changed in almost every part of Britain. Even the most sleepy village has felt the loss of a loved one but for Juliana she has lost her brother during the battle and now her beloved father, killed at home where he should have been safe. First a Norman knight by the name of Sir Richard de Gant claims the land and then Juliana as his prize. A Saxon mercenary, Ulfric, fighting for the Normans and friend of King William is given title to the land in Bertone (Barton upon Humber) which means de Gant is forced to concede to Ulfric but his desperate measures to win Juliana lead to dire consequences. Follow the story of Juliana, descended from a strong Saxon/ Norse bloodline survives brutality and sadness to find her future with the man she loves.

From reader reviews:

Angela Jones:

Book is to be different for every grade. Book for children until finally adult are different content. As it is known to us that book is very important for us. The book Fire and Ice has been making you to know about other know-how and of course you can take more information. It is rather advantages for you. The book Fire and Ice is not only giving you considerably more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your publication. Try to make relationship together with the book Fire and Ice. You never feel lose out for everything in the event you read some books.

Dorothy Marsh:

As people who live in the particular modest era should be update about what going on or info even knowledge to make all of them keep up with the era and that is always change and move ahead. Some of you maybe may update themselves by studying books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what kind you should start with. This Fire and Ice is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Bessie Papp:

Reading can called thoughts hangout, why? Because when you find yourself reading a book particularly book entitled Fire and Ice your thoughts will drift away trough every dimension, wandering in every aspect that maybe mysterious for but surely will end up your mind friends. Imaging every single word written in a book then become one form conclusion and explanation that maybe you never get previous to. The Fire and Ice giving you one more experience more than blown away the mind but also giving you useful info for your better life in this era. So now let us teach you the relaxing pattern the following is your body and mind will be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary wasting spare time activity?

Patricia Humes:

As we know that book is essential thing to add our know-how for everything. By a reserve we can know everything we wish. A book is a group of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This guide Fire and Ice was filled with regards to science. Spend your extra time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading the book. If you know how big benefit of a book, you can truly feel enjoy to read a e-book. In the modern era like right now, many ways to get book which you wanted.
