Grit Gillian French

Raw and moving, this contemporary realistic debut novel will leave readers of E. Lockhart and Gayle Forman breathless as it unflinchingly unfolds the tragic secrets being kept in a small, deceptively idyllic Maine town.

Seventeen-year-old Darcy Prentiss has long held the title of “town slut.” She knows how to have a good time, sure, but she isn’t doing anything all the guys haven’t done. But when you’re a girl with a reputation, every little thing that happens seems to keep people whispering—especially when your ex-best friend goes missing.

But if anyone were to look closer at Darcy, they’d realize there’s a lot more going on beneath the surface. Staying out late, hooking up, and telling lies is what Darcy does to forget. Forget about the mysterious disappearance of her friend. Forget about the dark secret she and her cousin Nell share. Forget about that hazy Fourth of July night. So when someone in town anonymously nominates Darcy to be in the running for Bay Festival Princess—a cruel act only someone with a score to settle would make—all of the things that Darcy wants to keep hidden threaten to erupt in ways she wasn’t prepared to handle...and isn’t sure if she can.

From reader reviews:

Gertrude Call:

As people who live in often the modest era should be upgrade about what going on or data even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to a person is you don't know what type you should start with. This Grit is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Michael Burr:

Nowadays reading books are more than want or need but also be a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want drive more knowledge just go with training books but if you want really feel happy read one with theme for entertaining including comic or novel. Often the Grit is kind of publication which is giving the reader unstable experience.

Donald Chapin:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a understanding or any news even a huge concern. What people must be consider any time those information which is in the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Grit as your daily resource information.

Amanda Young:

Are you kind of hectic person, only have 10 as well as 15 minute in your moment to upgrading your mind expertise or thinking skill actually analytical thinking? Then you have problem with the book when compared with can satisfy your short time to read it because this time you only find book that need more time to be go through. Grit can be your answer since it can be read by a person who have those short spare time problems.
