## **In the Spirit of the Studio: Learning from the Atelier of Reggio Emilia, Second Edition (Early Childhood Education)** Lella Gandini, Lynn Hill, Louise Cadwell, Charles Schwall

This critically acclaimed, lavishly illustrated book will help educators create the highest quality learning opportunities for a new generation of children. The Second Edition features substantial and important changes, including the addition of new chapters by pioneers of the work that happens in the *atelier* who draw on several decades of experience.

The *atelier* or studio is a key element of the renowned preschools and infant-toddler centers of Reggio Emilia, Italy. This beautiful, full-color resource explores how the experiences of children interacting with rich materials in the *atelier* affect an entire school's approach to the construction and expression of thought and learning. The authors provide examples of projects and address practical aspects of the *atelier*, including organizing the environment and using materials. No other book presents a more thorough examination of the philosophy, practice, and essential influence of the Reggio-inspired studio.
