"When the ice cream truck comes, it's the BEST sound" This quote is from a six-year-old girl. She is not my typical customer. Throngs of college students and Clyde the donkey are among those I've served. This book will probably explode your preconceptions of how you think about an ice cream truck. The times of day and places I have driven have caused many people to open their minds, open their hearts, and open their wallets. Some of them didn't even want ice cream. About the Author: I have been an ice cream man for ten years. My love of exploration has served me well as I have sold ice cream in over a dozen different states of the midwest.
