Magic Kingdom: Coloring Book Nora Begona

This adult coloring book contains grayscale coloring accompanied by hand-drawn doodle style designs featuring detailed images of bears, lions, dogs, roosters and a diverse assortment of other beautiful animals. You have 11 hand drawn pictures and 11 more gray pictures, a total of 22 plus all the flowers. The way I designed this book is for you to have the detailed gray scaled picture of the animal and the handmade drawing. You can color both or use the gray picture as reference. The animals are enhanced by doodling flowers and leaves. Please this book is for colored pencil, as the best choice to follow the gray scale. Markers wont here here. Hope you enjoy it as much as I did making it. It is also very relaxing.
