A little boy frog looks forward to the annual visit of his great-aunt Phibian, a slightly kooky relative who has some particularly unusual abilities. She uses her webbed flippers in all sorts of ways: she fans them out to shield her nieces and nephews from the rain, scoops up fly balls, and more. 3-D flaps throughout show her unique talents at work, and a pop-up on the final pages plus a special, spreadable flipper riveted on the front cover adds to the fun.
