*The choices I had made led to the moment when fate took over.*

*I would learn a lesson I wasn't prepared for.*

*And Death would be my willing teacher.*

Five years ago Abbey Chandler cheated Death. She survived a horrific car accident, but her lucky break came at the expense of her mother's life and changed everything. After she crossed paths with Death--by taking the hand of an ethereal boy made of clouds and sky--she would never be normal again.

Now she's the target of Death's Ravens and an innocent boy's life is on the line. When Nate Holden--Abbey's secret crush--starts to climb Alaska's Denali, the Angel of Death is with him because of her.

Abbey finds out the hard way that Death never forgets.
