Stressed Naomi is having one of those “Murphy’s Law” kind of days—everything that can go wrong is going horribly wrong. Traumatized by events from the night before, she ends up distracted at work—to the point that it gets her fired. Her continued distraction leads to more catastrophe as she almost smashes into a stranger as she hurries away—or is it a blessing in disguise? Noticing her distress, the handsome, wealthy-looking stranger offers her an attractive solution to her immediate needs: work for him as his personal assistant—no catch. Ha! She doesn’t believe him, but her desperation makes her accept, and it isn’t long before she suspects he wants a whole lot more from her than getting his coffee! She has been saving herself, but can she resist the hunk who saved her? This is book 1 in the series The Billionaire’s Proposition. Each standalone book highlights the love story of one of three billionaire cousins.
