## **Underwater Mortgage** Kelly Archer

Kelly Archer is a southern California short-sale specialist. His wealth of knowledge bleeds into his desire to help others through difficult economic times. Kelly has a true understanding of how negatively the economic crisis has affected millions of Americans. He applies his experience and attention to each case whether it be a short-sale or any other service the client may be in need of, always mindful of the concerns and worries of the client. Kelly Archer has worked in the industry since 1983 he has done and seen all the possible scenarios when it comes to construction, and the real estate market. He started working in the construction field with his father, who was a land developer; then went on to getting his contractors license, ultimately taking over his fathers company. Kelly found that he had a burning desire for something more. This brought him to the conclusion that it would benefit him as well as his clients, to get his brokers license, and to open up a real estate office in southern California. He found that in today's economic market, with the knowledge he possessed, he could possibly assist them by leading them along the gruesome path of near homelessness, to living in a comfortable home that was within their means. Kelly has even taken it a step further and written a book that will teach people how this truly can be done. Written in a way that is easy to understand and is amazingly feasible to duplicate, giving his readers hope and a light at the end of the tunnel. By far the most important read for those suffering and in fear of losing their homes, and having no answers as to where to turn. Kelly just may have the answer you have been waiting for!
