Your Personal Career Marketing & Portfolio Essentials: tools, techniques, and guidance to successfully navigate today's job market (Comprehensive Career Management Programs Designed for YOUR Success, 4th) Danny Huffman

This career development guide covers all areas of career management, including samples, up-to-date trends, and recognized techniques for you to gain a competitive advantage. Surely a must have for any serious job seeker from entry-level to the seasoned executive. The teams behind our publishing company are professionally certified resume writers, certified employment interviewers, and certified career coaches fusing the recommendations of the NACE, APSCU, CMA, the NRWA, the PRWA/CC and the Global Thought Leaders Group. Partnering with ECS means you partner with the top career management associations and a collaboration of over 50 career professionals from across the US, benefiting from their expertise and best practice approaches. Our mission is straightforward: Empower you by developing and publishing career strategies and branded material capturing the uniqueness of your knowledge, skills, and abilities as you explore the public and private sectors. This all-inclusive guide begins with a general overview, leads into a self-analysis, progresses into document preparation, provides research tools, examines networking, interview strategies, and delves into your first 90 days on the job.
