When you first hold your newborn in your arms, that new-baby smell will flood your heart with love and joy. But soon that smell will be replaced by other, less joyful smells, and your life will be utterly transformed into a daily struggle to deal with drooling, teething, pooping, peeing, ear infections, cradle cap, and unsolicited breastfeeding advice. Why not take a break from it all, grab your crayons or colored pencils, and let your inner-artist loose on some of the more memorable (and awkward) moments in your life as depicted in this hilarious and beautifully illustrated coloring book, specially created for the parents of young children.
