*A User-Focused Approach and Solid Foundation in the Construction and Analysis of Financial Statements for Use in Future Careers*

*Financial Accounting Student Value Edition* gives readers a solid foundation in the fundamentals of accounting and the basics of Financial Statements, and then builds upon that foundation to offer more advanced/challenging concepts and problems. This scaffolded approach helps readers to better understand the meaning and relevance of financial information, see its relevance within a real-world context, as well as develop the skills needed to analyze financial information in their career.

While maintaining hallmark features of accuracy, readability, ease of understanding, and a wealth of accessible algorithmic problems, the Eleventh Edition includes updated explanations, coverage, and ratio analysis with decision-making guidelines. These latest methodologies and technology ensure that readers learn basic concepts in accounting in a way that is relevant, stimulating, and fun, while exercises and examples from real-world companies help readers gain a better grasp of the material.

*MyAccountingLab* is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
