**Heart of Clay: (Sweet Western Romance) (The Women of Tenacity) (Volume 1)** Shanna Hatfield  
Strong-willed, successful and determined, Callan Matthews lives the facade of a happy, wonderful life. Unfortunately, unbridled chaos runs amuck in the deep, dark places of her heart as she struggles to keep herself together. Her once beloved husband, Clay, tugs relentlessly at the last few threads keeping her from completely unraveling. His laid-back attitude only serves to drive her further away instead of drawing her back into his arms. Easy-going cowboy Clay Matthews is a respected college professor. He's the man family and friends turn to for help, or when they need a good laugh, since he's a huge tease and practical joker. Life would be almost perfect, except for his relationship with his wife. Clay is completely baffled by Callan. He thought he knew everything there was to know about this woman but she's turned into a mystifying female he barely understands. He'd give just about anything to recapture the feelings they used to share, but she seems to want no part of it. Just when he decides to get to the root of the problem no matter the outcome, he discovers a secret she kept from him that's too painful to bear and too big to forgive. Will their love be strong enough to withstand a revelation that could rock the foundation of their marriage?
