Scotland, 1156. Malcolm MacHeth, one time Earl of Ross, languishes a prisoner in Roxburgh Castle while his sons raise rebellion in his name. Optimistically, the King of Scots promises the earldom to landless Norman, Sir William de Lanson, if he can somehow defeat the infamous MacHeths. It wasn't quite how William's disgraced wife Christian dreamed of coming home. Capture by the strange and ferocious Adam MacHeth was hardly part of her plan either, although she and William quickly become pawns in his. Adam, warrior and seer, fights for his father's freedom and for his family's right to claim the kingdom of the Scots. Plagued by waking dreams which threaten his sanity and his life, he use those prophecies to further his family's goals. But when he abducts his enemy's lady, his dreams and his desires are suddenly more personal...
