Study Outline and Workbook In The Fundamentals of Music Frank Hill, Roland Searight, Dorothy Searight Hendrickson, Steven Estrella

This text is a self-contained workbook that emphasizes the basics using a hands-on approach to enhance student skills in music fundamentals. Each new chapter builds on elements taught in the previous chapter and reinforces these skills through exercise and drill-based instruction. Text is kept to a minimum to leave room for worksheets where students may hone their notation skills. The 10th edition has a greater emphasis on solo piano exercises and on recorder playing.
