Carefully selecting the best articles from our collection we have compiled a series of informative publications on the subject of interior design and home decoration. The titles in this range include 'The Tools and Equipment of the Decorator,' 'An Amateur Decorator's Guide to Distempering,' 'Preparation of Surfaces for Painting,' and many more. Each publication has been professionally curated and includes all details on the original source material. This particular instalment, 'The Science and Selection of Paint Colour' contains information on the techniques of interior decoration. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.
