Gain a massive edge on the competition with tested memory strategies

Going beyond the common poker strategy book, this one - of - a - kind guide utilizes basic memory techniques designed to enable a player to easily keep track of poker statistics during a live game. A variety of engaging imagery is provided, teaching players how to remember approximately 10 to 100 times the information an untrained player would have at a tournament or cash game. Covering everything from how often a player plays to memorizing tells, this is the ideal companion for both serious amateurs and professional card sharks.
