Approaching God: Daily Readings in Systematic Theology Paul Enns

In a familiar and readable style, Paul Enns supplies a devotional reading for every day of the year that will challenge, enlighten, and encourage. He shows how God has embedded order and organization into His Word. He also points out how useful, indeed essential, systematic theology is to understanding God's Word and how it guides us in our daily walk with Him. Using a particular verse of Scripture as the foundation, Dr. Enns briefly examines such issues as the nature of God, the Person and work of Christ, the names of God, the church, and more.
