Beyond Belief - The Ultimate Mind Power Manual James Coyle

If you were told that you could use your mind to influence a slot machine or dice fall....would you find this beyond belief?

If you were told that you could use your mind in a telepathic manner to influence the thinking pattern of another individual or group of people...would you believe it?

And if you were further told that you could instruct your subconscious mind to produce a specific dream to help you solve a problem...and use an unusual intuitional mechanism to decode this dream...would you find this a helpful ability?

What if you learnt to use dream control to solve medical problems?

Would this ability give you a much better lifestyle?

But what if you were told that you could determine your luck cycle in advance so that you could use it for dollar windfall situations...would this give you a sense of personal satisfaction?

But even better still, what if you were informed that you could use an easy-to-learn mental trigger that will tell you which slot machine to play, which scratch-it ticket to buy, which colour to bet on at roulette and which likely numbers to enter in the lotto....with a possible 60-70% chance of being correct? Then would you find all this “Beyond Belief?”

All of this, plus more is now possible!! This book explains the techniques.
