Conan's Brethren: The Complete Collection

Robert E. Howard

Conan's Brethren: The Complete Collection Robert E. Howard

A master of all genres of pulp, from historical adventure and detective stories to western and boxing fiction, Robert E. Howard invented the genre now known as Sword-and-Sorcery, and it is for these larger than life tales of heroic fantasy and horror that he is best remembered. Plucked from the pages of *Weird Tales* and other pulp magazines, his mighty heroes are brought together in one collection—the vengeful Puritan swashbuckler Solomon Kane; Howard's first barbarian hero King Kull; Bran Mak Morn, the last of the Picts; Red Sonja, She-Devil with a Sword; and many others. World Fantasy Award-nominee Les Edwards contributes a black and white frontispiece, along with a gold embossed work on the leather-style cover, while Hugo Award- and Bram Stoker Award-winning editor and author Stephen Jones compiled the selections and provides an insightful afterword.
