**JAGC-Off: A Politically Incorrect Memoir of the Real Judge Advocate General's Corps** Jonathan P Tomes

The author was a former Infantry officer in Vietnam and Military Intelligence officer in West Germany before going to law school and becoming an Army JAGC officer. JAGC-Off, written in a style similar to that of John Mortimer's Rumpole of the Bailey stories, tells readers how the real JAG Corps was. Each chapter is a fictionalized court-martial or administrative discharge board based on real cases or composites of case vignettes. Set in the past 40 years or so, most chapters focus on particular court-martial or military administrative discharge board the way that Rumpole chapters focus on his trials.
