Life Among the Apaches: The Classic History of Native American Life on the Plains

John C. Cremony

Life Among the Apaches: The Classic History of Native American Life on the Plains John C. Cremony
One of the original seventeenth-century historical accounts of the Apaches and the southwestern American Indians.

John C. Cremony's first encounter with the Indians of the Southwest occurred in the early 1850s, when he accompanied John R. Bartlett's boundary commission surveying the United States–Mexican border. Some ten years later, as an officer of the California Volunteers, he renewed his acquaintance, particularly with the Apaches, whom he came to know as few white Americans before him had. Cremony was the first white man to become fluent in the Apache language, and he published the first dictionary of their language as a tool for the US Army.

Cremony's account of his experiences, published in 1868, quickly became, and remains today, an indispensable source on Apache beliefs, tribal life, and fighting tactics. Although its original purpose was to induce more effective military suppression of the Apaches, it has all the fast-paced action and excitement of a novel and the authenticity of an ethnographic and historical document. *Life Among the Apaches* is unrivaled in its attention to detail, and Cremony's firsthand accounts of the intricacies of daily life for the Apaches make it both an essential text on Native American culture and a truly important anthropological work.

Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Harold Dalton:

Reading a book to become new life style in this yr; every people loves to read a book. When you read a book you can get a lot of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your analysis, you can read education books, but if you want to entertain yourself you can read a fiction books, this kind of us novel, comics, and soon. The Life Among the Apaches: The Classic History of Native American Life on the Plains provide you with a new experience in studying a book.

Mamie Contreras:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Life Among the Apaches: The Classic History of Native American Life on the Plains can make you experience more interested to read.
