It's not exactly how one would expect God to occupy himself. Lord of space and time, newly resurrected from the dead, and what is he doing? Sitting quietly by the lakeside, cooking up breakfast and waiting for the disciples to drop by. The Gospels are full of odd quirks that most people never notice because the stories are so familiar. But Conrad Gempf notices. He uses his knowledge of Jesus' life and times to light up the meditations in this book. The forty short encounters in this book focus on Jesus as a teacher, Jesus as a miracle worker, on Jesus' radical spirituality and on his death and resurrection. Seasoning its unique insights with humor, *Mealtime Habits of the Messiah* both satisfies the hungry soul and piques the reader's appetite for prayer. 'Gempf's well-balanced approach ... will put fuel in the tanks of all our journeys toward wholeness and purpose.' -- Rob Lacey, from the foreword 'Conrad's book is a delight. It's like its subject, Jesus: alive, fun, engaging, warm, and occasionally wonderfully dangerous.' -- Jeff Lucas 'An Inspiring and startling portrait of Jesus which will nourish your spirit and feed your soul.' -- Steve Chalke
