Miller's: Powder Compacts: A Collector's Guide (Miller's Collector's Guides) Juliette Edwards

Miller's Collector's Guides is a series of books aimed at providing an essential introduction to varied and popular subjects for the budding collector. Reflecting the growing trend in the antiques market towards "collectibles" (small, often affordable items) these practical guides are filled with ideas on how to form a collection, what to specialize in, and how to identify objects. Often showing specially photographed items, these are guides no collector can afford to be without.
