Do you find other youth ministry programs promise you can "plug and play," only to fall short of expectation, forcing you to "adopt and drop"? An organic student ministry allows each student ministry to exist and live in its best possible way, its natural way! In his book *Organic Student Ministry*, acclaimed youth ministry author Stephen Ingram shows you how to:

Develop practices instead of just programs

Minister to students where they are instead of spending your time pleading with them to "get with the program"

Focus on a way of doing ministry that grows naturally from the distinctively rich and fertile soil of your unique church

"Stephen Ingram is the 'Steve Jobs of the Youth Ministry world.' I'm hard pressed to recall anyone with the inventiveness and informed creativity of this young man."- Mark DeVries, president, Ministry Architects
