Pop, Your" Poifect"!:AThree Stooges Salute to Dad Inc C3 Entertainment

Arguably the most recognizable and influential comedy team of all time, The Three Stooges have been making the world laugh since 1930. For four decades, The Three Stooges were kings of the box office - first in a series of legendary comic shorts for Columbia and later in a string of successful feature films. In all, they made over 200 films! These two new books pair vintage black-and-white photos from The Three Stooges' incredible film archive with short and snappy text that celebrates fathers and birthdays. "Why I Oughta..." is an encouraging little reminder that getting older doesn't have to be painful ("Even if some of aren't as curly as we used to be"). Pop, You're "Poifect!" pays tribute to dear old Dad. Written to be given as a gift, it offers an apology for the trials kids put parents through ("I know that there were nights when I kept you awake with worry, and days I probably made you pull out your hair in frustration - especially grade card days.") and words of thanks. ("So thanks for all the times you've bailed me out - no literally, of course - not yet.") The words work in perfect tandem with the slapstick shots of The Three Stooges in action - and the net result is two books sure to delight. So, will these books be a hit? "Soitenly!"
