When Mother Lets Us Give a Party - 81 Party Ideas for Children - A Book That Tells Little Folk How Best To Entertain and Amuse Their Little Friends by Elsie Duncan Yale - There is nothing that is much more fun than a party, is there? Mother hasn't forgotten the days when she set a little table in the attic with the dolls' tea-set, and had cambric tea and jam sandwiches. As for a birthday party, why it doesn't seem a bit like a birthday without a frosted cake and pink candles and ice cream in forms—but there! That was to be a surprise. Birthday parties only come once a year, of course, but there are other parties in between, afternoon teas on the piazza or in the playroom, or in the barn, if you are so fortunate as to have a barn. These parties oughtn't to mean extra work for mother, for you can have them all yourself, if mother is willing. So when she says, "Yes, you may have a party," after you have hugged her, and told her she was the dearest mother in the world, you can begin to get ready.
