Daniel and the Last Days (Gospel Feast) (Volume 1) Reed R. Simonsen

So, you think you know the Book of Daniel? A book about a lion's den? Think Again! Isaac Newton, called the greatest scientist who ever lived, said that all of Christianity and Jesus Christ's divinity hang on Daniel's book? Really? That's a bold statement. The greatest Rabbis of Judaism have cautioned their students against using Daniel to figure out the times of the Messiah. How come? How could that hurt anything? Religious zealots have stirred up great revivals, founding new christian sects based on their readings of Daniel and the aftermath. Denominations that are still with us today. Really? Who are they? There is even evidence that archeologists and historians have purposely altered the calendar of mankind by 500 years, causing today's confusion as our generation tries to tie together humanity's collective history. Why would they do that? So what's in this short book of scripture that scientists, rabbis, historians and zealots saw? A Gospel Feast! Time to read the Book of Daniel again as you have never read it before. A Book for the Last Days. Come and feast at the Lord's Table with this amazing book. The Gospel of Jesus Christ is as rich and rewarding as you wish to make it. This is Book 1 in the Gospel Feast Series. Book 2: Jonah and the Great Plan of Happiness is also available. Book 3: Ruth & the Saviours on Mount Zion with be available Spring 2017. Time to Feast upon the WORD of GOD!
