Germany in the Early Middle Ages c. 800-1056 (Longman History of Germany) Timothy Reuter

The first volume chronologically in a new multi-volume History of Germany, Timothy Reuter's book is the first full-scale survey to appear in English for nearly fifty years of this formative period of German history -- the period in which Germany itself, and many of its internal divisions and characteristics, were created and defined. Filling an important gap, the book is itself a formidable scholarly achievement.
