When The Sun Got Stuck A Fable for Leaders and Their Teams Richard R Russey

When the Sun Got Stuck: A Fable for Leaders and Their Teams is a contemporary and relevant tale for our challenging times that explores the competencies and practical applications necessary to become venerable leaders of capability, accomplishment, and compassion. Leadership of distinction is a healthy combination of leading with the head and the heart engaged symbiotically. Every leader develops a signature style that is informed by inseparable aspects of mind and heart that lie within waiting to be exercised and developed. When the Sun Got Stuck addresses the issues of leadership that, in their summation, are a blending of these two critical elements-and indeed, reveals how success is created from the blend of bright (intelligent/cognitive) and sensitive (heartfelt/affective) leadership guidance.
