Eve Townsend is a gifted artist and architect at Colby Designs San Francisco office but she's always felt that something was missing from her life. Because of her success, she is promoted to Manager of the Design department, but the position is located at Colby's New York City branch. Being strong-willed and independent, Eve makes the decision to move across the country, leaving behind her friends and the life she always knew. Everything seems to be going Eve's way when she meets a handsome police NYPD detective, Michael McGarrett. Mike and Eve's eyes lock and their chemistry is evident as they are instantly drawn to each other. Mike and his partner are on the hunt for suspected criminal, Lucas Coles. Eve informed the detectives that Lucas was recently fired and unfortunately had no clue to his current whereabouts. Unexpectedly, Eve is caught in the cross-fire when Lucas returns to Colby Designs on a shooting rampage. Her career move should have been Eve's chance of a lifetime and she never expected it to threaten her life. Will Mike locate and rescue Eve in his usual heroic fashion and will they get their happy ending?
