## **Lethal Engagement** Joseph A. Klein

Full constitutional rights for foreign Islamic terrorist detainees. Apologies to the Muslim world for American 'misdeeds,' and promises to make amends even if the security of the American people is placed in peril. Welcoming radical Muslim sympathizers into high positions of authority. Abridging freedom of expression. And much, much more. Lethal Engagement documents how in these and other ways President Barack Hussein Obama has forsaken the oath of office he took to 'preserve, protect, and defend the Constitution of the United States.' Lethal Engagement exposes how radical Muslims are re-branding their barbaric ideology to fool their gullible audience in the West and how they play the racism victim card, all with President Obama's help. Lethal Engagement systematically lays out the dangerous entanglement of Obama with the United Nations, which radical Muslims are manipulating to promulgate international law to their liking, and how his nomination of more activist judges willing to throw away the Constitution allows radical Muslims to subvert American law. Lethal Engagement also reveals the radical Muslim plan to destroy the value of the dollar and use the United Nations to replace it with a new global reserve currency, all helped along by the Obama administration's disastrous economic policies. After connecting all these dots, Joseph Klein explains the steps 'we the people' must take to rescue our country.
