Loving Soulfully: The Key to Rising In Love Rohit Juneja

This is a book about Love. But not love as we think it should be. This is a book about soul mates, romance, marriage, adultery, relationships, heartbreak, cheating and sexuality. But not as we have been led to think and believe. This is a book of poetry. But not poetry that expresses flowery sentimental verse. It is a powerful message delivered through poetic prose that resonates with a knowing that lies deep within us on how to transform our relationships into ecstatic, soulful adventures. This is an enlightening conversation with the essence of Love. The Author asks Love to reveal Her secrets and mysteries. Love challenges the present concepts of romantic love that have given rise to heartbreak and loss. She shows him how to become a fearless, soulful lover and experience ... A Love that does not hurt, does not betray and does not die. A Love that is not based on lack, possessiveness or fear. A Love that is expansive, free and empowering. A Love that is truly Divine!
