The most authoritative and up-to-the-moment atlas of the Bible available today, "Biblica" brings to life the dramatic stories, charismatic people and intriguing locales of the Bible. It is arranged into eight parts such as: Geography and History of the Bible Lands, Genesis and the Patriarchal Period, The Judges, The Kings, The Prophets and the Righteous, The Conquest of the Kingdoms, The Life of Jesus of Nazareth and Spreading the Word. It includes information on the topography, geology, climate, vegetation and key physical features of the region. This title contains 125 original maps showing prominent locations, journeys, battles, kingdoms and empires discussed in the Bible. It also features informative family trees and tables. It incorporates the very latest archaeological findings and theological research. Written by an international team of writers, distinguished academics and Bible scholars and illustrated with more than 650 colour images (scenic photographs as well as paintings, drawings and sculptures from the world's leading art galleries, museums and collections), "Biblica" is an essential family resource.
