## **Dying to Fit In** Erica McKenzie

In 2002, thirty-one year old Erica McKenzie's lifelong battle with addiction and body image ended one day when she collapsed to the floor unconscious. Within moments, she was pulled through a tunnel at exhilarating speed and delivered into the hands of God. In Heaven, God revealed the importance of free will and the destiny of mankind. Dying to Fit In is the true story of one woman's extraordinary near-death experience with God and her journey to Heaven, Hell, and back. Erica discovered God's Divine plan-a blueprint-unique gifts he bestows on each of us, and the key to unlock their power. She returned with a new mission, to share these messages with the world. But first she would endure many challenges that would test her faith and connection with God and which began with learning to love herself. Her God-given wisdom is a gift beyond price, a gift she shares with readers in this book. "Exceptional, life-healing powerful insights, and Erica's dialogue with God exudes and abundance of wisdom, with a treasure trove of awareness and inspiration on every page." -Jeffrey Long, M.D., Author of the New York Times bestselling Evidence of the Afterlife: The Science of Near-Death Experiences "Erica McKenzie's near-death experience is one of the most moving and profound I have ever encountered. Erica McKenzie's powerful experience is one extraordinary case in point. It is a remarkable story from a remarkable woman. In a word, her book is magnificent, one worthy of the highest praise and recommendation. Expect to be inspired and enriched by this wonderful work." -John R. Audette, M.S., President, CEO & Co-Founder Eternea.org and Quantrek.org, Principal Founder, International Association for Near-Death Studies(IANDS.org), Former hospice and hospital administrator.
