Foxgloves and Hedgehog Days Daniel Blajan

Like Keats, "too long in city pent," Daniel Blajan moved from his city condominium to a cottage in a rural village. Reminiscent of *A Year in Provence*, his completely delightful memoir introduces us to the flora, fauna, and neighbors in his new life. *Foxgloves and Hedgehog Days* is full of amusing anecdotes about Blajan's adjustments to country living - like the time he convinced the local bureaucracy that the rush matting he erected to hide an eyesore had grown roots and was therefore a hedge, not subject to fence height laws. Or the day all the rooftops in the village sprouted bright yellow flowers. Or the ceremony surrounding the death of the community's four-hundred-year-old linden tree and the final miracle it displayed. Or the frogs who showed him why he shouldn't "improve" his pond - and much, much more.
