Kyle's B&B Presents: Drawings of Drew Greg Fox

A delightful collection of sumptuous pencil figure drawings of the male nude by artist Greg Fox, (best known for being the artist/writer of the syndicated comic strip "Kyle's Bed & Breakfast"). Drew Danvers, a popular character in the comic strip, is the male figure depicted in these drawings, although he's never before been seen in such detail and full-frontal state of undress as he is throughout this book. The pencil drawings are impressively reproduced, (many look as if they are the actual original penciled artwork), and are quite worthy of framing. In fact, included in the book is a helpful guide for page removal along with framing instructions. Also included is a background story of the Drew Danvers character, charting his humble beginnings growing up on a peach orchard in Alabama through his arrival and dramatic storyline at Kyle's B&B, (with a number of panels from the comic strip). And there's even a 3-page "message" from Drew Danvers himself, along with his Mama's Alabama peach pie recipe! You certainly don't need to know a thing about "Kyle's B&B" to enjoy this book... it's for anyone who has a fondness for quality, classical style figure drawings of the male nude.
