Lord of Endersley (Volume 1) S.A. Meade

Will the passion ignited during a violent uprising survive the rigid confines of Victorian society? Jacob Endersley is glad to escape the confines of his family home for the exotic and dangerous beauty of India during the glory days of the Raj. Marcus Billington, an Army officer, is tired of the stifling social mores of life in a British enclave. When the Sepoy Uprising of 1857 leads to chaos and bloodshed, the two men seek the safety of Agra and find refuge in each other. Once the rebellion is quashed, Jacob returns to England while Marcus remains in India. They have no hope of a future together until Jacob learns that Marcus has returned to England. When they meet again, Marcus makes it clear there can be nothing between them and Jacob returns to Endersley resigned to a solitary life until Marcus arrives out of the blue and then everything changes.
