Poor Policy: How Government Harms the Poor

D. Eric Schansberg

Poor Policy: How Government Harms the Poor D. Eric Schansberg

Setting out to illustrate how special-interest groups in the USA advocate policies that benefit themselves but inadvertently hurt the poor, this book shows how this inequity occurs in both product and labour markets - from subsidies to protectionist trade policies, and from drug prohibition to the government's provision of public education. The author also provides an analysis of US welfare policies, focusing on the intractable problems built into the current system. He argues for radical welfare reform, advocating case-by-case solutions centred on "tough love" and, as far as possible, private charities. The book includes statistical information on income distribution, and a section devoted to international policy issues.

Brandy Godwin:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just small students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Poor Policy: How Government Harms the Poor can make you truly feel more interested to read.
