**Clinical Skills in Treating the Foot, 1e** David R. Tollafeld DPodM BSc FPodA, Linda M. Merriman MPhil DPodM MCHS Cert

This text covers the traditional and modern methods for managing foot conditions with emphasis on the need for a holistic approach, providing an understanding of the role of other health care professionals in this area of therapy. The reader can use this text to design individually tailored holistic health plans built on the results of clinical examinations and assessment. Case studies make it easier for the reader to apply theory to practice and the structure of the book is designed to facilitate learning, revision and ready reference. And the liberal use of illustrations and learning devices makes the text more readable and accessible.
