## **A history of Prescott, Wisconsin: A river city and farming community on the St. Croix and Mississippi**

Dorothy Eaton Ahlgren

This book is the result of five years of volunteer work and based on the belief that there was a need for a Prescott history because of its importance to the early settlement of the area. In addition to research at many area libraries, institutions, public records and newspapers, appeals were made to local residents for family information and photographs. The book includes overviews of Prescott's geology, archaeology, historic buildings, commercial growth, role in the Civil War, affect of the railroad, and farming. It also includes an extensive section on Prescott families. It is illustrated with hundreds of black and white historic photographic images.
