How will your nonprofit idea make the world a better place? Whose lives will you change? What are you waiting for?

This book includes up to the minute coverage (last update was July 10, 2015), including IRS Form 1023-EZ that became effective July 1, 2014.

AUTHOR'S NOTE ADDED March 18, 2015: California Secretary of State forms ARTS-PB (public benefit or charity), ARTS-RE (religious) and ARTS-MU (mutual benefit such as a VFW or American Legion-type organization) now include mandatory IRS clauses. California wants you to use their forms instead now, so use them instead of the Articles of Incorporation in this book. An update is in work, but Kitty wanted you to know now so you would get approved right away, and this note was the fastest way to get the info out pending the update in progress. All other information in the book is up to date and valid, just that one thing has changed.

Designed in logical order, you can get most of the process completed in a weekend if you get serious about it. It couldn't be easier or faster. Clear your calendar, roll up your sleeves and get to work. Success is just ahead!

A straight shot to IRS approval in orderly steps with no guesswork including:

- Step by step guidance
- Specific state requirements
- EXACT Mandatory IRS language
- Line by line coverage of IRS Form 1023 and all schedules
- Interactive Form 1023 and the NEW Form 1023-EZ
- Reinstatement after automatic revocation
