My New York Diary Julie Doucet

THE CLASSIC GRAPHIC NOVEL, BACK IN PRINT

Back in print is the classic graphic novel by the acclaimed (though no longer working in comics) iconic artist Julie Doucet. In *My New York Diary* - one of the first contemporary graphic novels - Doucet abruptly packs her bags and moves to New York. Trouble follows her in the form of a jealous boyfriend, insecurity about her talent, her worsening epilepsy, and a tendency to self-medicate with booze and drugs.

From reader reviews:

Bruce Butera:

What do you think about book? It is just for students as they are still students or that for all people in the world, the particular best subject for that? Only you can be answered for that issue above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great and also important the book My New York Diary. All type of book are you able to see on many options. You can look for the internet sources or other social media.

Maria Casillas:

What do you in relation to book? It is not important along with you? Or just adding material when you really need something to explain what your own problem? How about your time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They should answer that question simply because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this My New York Diary to read.

Maritza Berry:

Is it a person who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This My New York Diary can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these guides have than the others?

Gene Baker:

What is your hobby? Have you heard this question when you got students? We believe that that issue was given by teacher to the students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person including reading or as looking at become their hobby. You have to know that reading is very important along with book as to be the point. Book is important thing to increase you knowledge, except your teacher or lecturer. You get good news or update regarding something by book. Many kinds of books that can you take to be your object. One of them is My New York Diary.
