South East Asian Railway Journeys Bangkok to Singapore (Volume 1) Mike Sharrocks

This book is the first of a series of long distance rail journeys through South East Asia. It provides an anecdotal description of a journey from Bangkok to Singapore through the southern 'elephant trunk' of Thailand, along the western side of Peninsular Malaysia via Penang and Kuala Lumpur to Singapore (and the old station of Tanjong Pagar, which has now been closed). It is richly illustrated with colour photos and aims to give an idea of what travelers can expect to experience from this journey.
