The Divine Order and the Universe Bedri Ruhselman

The Book that has been awaited for 54 years is now finally published. The spiritual communiqués, issued from the Plan of Sublime Duty and named 'Önder [Pioneer]' in 1959, were compiled by Bedri Ruhselman. Since then they have been preserved in the safes of notaries and banks. Now that their time has arrived after 54 years, they have now been published. The book in your hands is the faithfully translated version of the original Turkish text. In The Divine Order and The Universe you will find: * The unending rain of knowledge starting from spirit and matter... * The true comprehension of love; the advance from love towards the essence... * Discovering existential freedom and planetary awakening... * The implications of global warming, floods and earthquakes... * The lessons we learn from natural events... * Spiritual preparation through predicted facts about inevitable natural events...
