One gambler is a manic former cokehead with an Ivy League degree. The second is a college dropout trying to make a living at the only thing he enjoyed at school—gambling. The third, one of Vegas's most respected bookmakers, is perilously close to burning out. *The Odds* follows the lives of these three professional gamblers through a college basketball season in a one-of-a-kind city struggling to reconcile its lawless past with its family-friendly makeover. With a wiseguy attitude and a faultless eye and ear for the sights and sounds of Vegas and its denizens, Chad Millman has created a portrait that the *Wall Street Journal* called "fascinating. . . often screamingly funny." *The Las Vegas Review-Journal* had just one word for the book: "Superb."
